

March 20th, 1970, in the presence of many personalities and the press the first sod was cut to begin the transformation of the old train station built in 1914.

Food and drinks in an authentic train station." You cannot help but enjoy the atmosphere."

Resto Gare incorporates elements of the station's history into its menu and decor.

Winnipeg's unique French Bistro celebrates the station's

with the best in fresh excitingly prepared ingredients!

As a second generation proprietor of Resto Gare formerly La Vieille Gare, I have hosted many school groups dining at our St. Boniface station. I am gratified when I meet parent diners that have experienced a French class excursion many years ago. I want to offer this same experience to your students!
